

The Spirit of Community in the Community of the Spirit
“Living with Everything in Common”

Acts 2: 38-47

Dr. Clint Ayers February 1, 2009

For some needs we need to ask God to bring a new provision,
but God has already provided a supernatural resource that we may overlook.

That resource is not m_____, but it makes us rich in life if we accept its treasures.

That resource is not a way to e_____ difficulty, though it can free our hearts from anxiety.

That resource is not even good _____, though it can help carry us through suffering.

That resource is the divine institution called “The _____”.

...we experience a fellowship with the family of God that can be found nowhere else.

...we receive divine support of the Holy Spirit found in nowhere else on earth.

...we have the unique chance to be the conduit of God’s blessing to others.

In the Church we are part of the “Community of the Spirit”.

To be a part of God’s plan for the Church we must learn to live with a spirit of community.

To experience the Community of the Spirit we must:

1. ... be saved so we can receive the Spirit Acts 2:37-39

Repentance for the forgiveness of sins, God promises life.

2.devote ourselves to the things of the Spirit 2: 42
